## ***The Pastors Pen***

*Dear Campbell Chapel,*

*It is with great pride that I add my letter to this wonderful newsletter. Our Sons of Allen have gone above and beyond in providing us with this very helpful resource. During these two months, we will celebrate the M. L. King Holiday, Black History Month, and the liturgical season of Epiphany. You will find resources in this newsletter to assist you in these observances.*

*Thank you, Sons of Allen, for a job well done.*

*As stated in the last newsletter, my vision for 2021-2022 is to “discover the new norm for faithful worship and service during a pandemic. “*

*To accomplish this vision, I have set forth the following goals:*

*#1 Reestablish our Church Calendar. We will discover how to observe our various worship opportunities and community service activities safely during a pandemic.*

*#2 We will complete the renovation of the Historic Chapel.*

*#3 We will recover our Youth Ministry.*

*#4 We will focus our activities around the theme of Evangelism.*

*Please keep these goals in mind as your plan and execute the work of the Church.*

*By now, we all realize how meaningless it is to attempt to predict how a new year will turn out.*

*In 2020, many predicted that it would be a year of vision and clarity. That sure sounded good, but you know how it turned out.*

*Instead of predicting what 2022 will bring, let me remind us of the things we can count on.*

*Throughout 2022, God will never leave us or forsake us.*

*Throughout 2022, God will remain in control of the Universe.*

*Throughout 2022, God’s grace and mercy will flow with abundance.*

*Throughout 2022, we will need God’s grace and mercy abundantly.*

*Throughout 2022, God will open doors that we did not expect to open.*

*Throughout 2022, God will love us with an everlasting love.*

*Throughout 2022, God will be faithful.*

*While we might not know the future, we know who holds the future. We can rest in the peace that comes when we stay in our lane and let God handle our lives.*

*Respectfully,*

***Dr. Jon R. Black, Pastor***

## *Prayer for January*

As 2021 ends, it may be difficult to find the good in what it brought. Due to the continued impact of COVID-19, the increase in gun violence, and the growing threat of climate-related conflict (just to name a few examples), these events created unexpected change in everyone's lives. The ending of a year would usually bring about joyous moments and an exciting list of New Year's resolutions to accomplish, but instead, 2021 left us desperately in need of hope, healing, and peace. Kicking the year off with a New Year's Prayer can help you set the best intentions for 2022.

Praying is typically concerned something done exclusively by those who are religious, but there are plenty of prayers that can be applied to any area of your life, even if you are not religious yourself. Whether pulled from the Bible or found from others who have wanted to provide encouragement through tough times, prayers are nothing, but love notes to God that come from your heart at the moments needed. If you haven't quite found the right words to get you motivated for what could be a year of new beginnings, then the New Year's Prayer will hopefully give you a fresh start after a tumultuous year and help you embark on a chapter worth celebrating again.

Dear God,

Give me the courage to begin again — to overlook the difficulties, to overcome the obstacles and to stay open to the moment as best I can. Help me be patient enough to know it takes time to start over, and wise enough to ask for help from friends and family when I need it. As I look to the future, may I reflect on the past and remember the lessons it has taught me. And God, may I always look to you for strength and guidance. Amen

**Prayer for February**

**Lord our God,**

We thank you that we may be your children and may be led by your hand. Give us patience and faith, especially when our way on earth seems difficult and life is full of grief and hardship. You are light. You show us the right path. You go before us in the self-denial and patience taught us by your Word. Protect us on all our ways. May your kingdom grow among us until it can be plainly seen that you, O God, are truly with us doing your work and bringing us joy, even though what we do seems fruitless. But your work endures. In your work we rejoice, and we want to give thanks to you every day.

Amen.
